MEMORANDUM FOR:

STAT

SUBJECT: NPIC "Slots" in COMIREX Advanced Imagery Orientation
Interpretation Course (AIIOC)

1. I am aware of the NPIC requirement to send students to the AIIOC. Unfortunately this, as well as other COMIREX courses already is oversubscribed. With 12 COMIREX principals and only 15 "slots", it would be impossible to guarantee each principal more than one slot.

2. This problem has been discussed during COMIREX meetings, and we are giving primary emphasis to those students who provide operational support. In view of NPIC's unique role, we will do our best to accommodate your needs.
